AN ORDER AUTHORIZING THE)
ISSUANCE OF SECURITIES AND THE)
ASSUMPTION OF OBLIGATIONS)

ORDER

On August 2, 2007, the Commission issued its Order in this proceeding authorizing the actions proposed by Louisville Gas and Electric Company (“LG&E”). The Commission subsequently received information from LG&E that the following statement contained in the Order was incorrect: “LG&E had not contacted any Institution to discuss proposals as of the date of its application.”¹ In the original filing, LG&E stated that “No contracts have been made with respect to any of the Credit Facilities which LG&E proposes to enter into.”² Based upon a review of the information in the record, the Commission finds that the information was correctly stated in LG&E’s application but incorrectly stated in the subsequent Order.

IT IS THEREFORE ORDERED, to be entered nunc pro tunc, that LG&E had not contracted with any financial institutions to enter into any Credit Facilities.

¹ This statement appears on the first sentence of the last paragraph on page 2 of the August 2, 2007 Order.

² Application, ¶ 7.
